

NOVEL FREE ATTRACTION

To Be Seen at the Redmen's Powwow and Carnival Soon

One of the most novel free attractions is the act of Mlle. Orocco, "Queen of the Spiral Tower," to be seen at the Redmen's Powwow and Carnival the week beginning Monday, June 13th.

This act is performed upon a specially constructed tower, thirty feet high, two semi-spheres, making a globe thirty-two inches in diameter, and into the lower half the little lady steps. The top is then placed and the globe is sealed, and in this narrow space she begins the ascent by what means of propulsion even the most astute scientists have been nonplused; but the fact remains that she gains the top, when suddenly like a thing enchanted the globe bursts asunder, and amid a golden shower of pyrotechnical spender stands this beautiful specimen of femininity.

She again steps into the globe and the downward journey begins. At the bottom she steps forth and is sure of the plaudits of a much pleased and yet much bewildered audience.

This is just one of the attractions that should draw you to Maysville during this grand gala week and there are many others equally as good.

HEALTHY MOTHERS. Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Roscoe's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. For sale by Henry W. Ray, Postoffice Druggist.

GO RIGHT AT IT

Friends and Neighbors in Maysville Will Show You How.

Get at the root of the trouble. Rubbing an aching back may relieve it, But it won't cure it. You must reach the root of it—the kidneys. Doan's Kidney Pills go right at it; Reach the cause; relieve the pain. They cure, too, so Maysville people say. Mr. W. L. Nicholson of 14 Court street, employed by Russell & Sons, grocers, says: "The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective riddance of the trouble." I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, on the advice of a friend, and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."
